## The NIH Enterprise Document Generation System (DGS)

The DGS Program & System is managed and maintained by the NIH Office of Acquisition Management & Policy Front Office (OAMP FO).

Dear DGS Users:

NIH's Enterprise Document Generation System, DGS (<https://oamp.od.nih.gov/nih-document-generation-system>), has been updated and is back on line and ready for use in the generation of NIH solicitation and contract documents.

For any questions, concerns, and/or requests for assistance that pertain to the merging of work-in-progress documents please contact the NIH IT Service Desk at <https://myitsm.nih.gov/>.

For any questions, concerns, and/or requests for assistance that pertain to DGS Workforms please contact Janet Mattson at [janet.mattson@nih.gov](mailto:janet.mattson@nih.gov).

Please note that a crosswalk of the changes to the DGS Workforms has been attached (above) and that individual Clauses and other information on the DGS Website will be updated in the next few weeks.

For any other questions and/or concerns of any type other than those above please feel free to contact Mr. Amon Tarus at [Amon.Tarus@nih.gov](mailto:Amon.Tarus@nih.gov), Janet Mattson at [Janet.Mattson@nih.gov](mailto:Janet.Mattson@nih.gov), or myself at [Kunihiro.Ishikaw@nih.gov](mailto:Kunihiro.Ishikaw@nih.gov), copying Veenu Varma at [Veenu.Varma@nih.gov](mailto:Veenu.Varma@nih.gov).

In closing the OAMP Front Office team wishes to thank and recognize our contractor teammates for their invaluable assistance in this endeavor. In particular our most sincere thanks go to Amar Singh, Bob Stoops, Amon Tarus, and Janet Matson for helping lead this effort.

Thank you for your time and consideration in advance and warmest regards to all.
