This LISTSERV is maintained by the Office of Acquisition and Logistics Management (OALM).

To UNsubscribe or to review the archive messages click <http://list.nih.gov/archives/nih1102-l.html>.

The workforms have been updated to incorporate the changes required by FAC 2005-53, effective August 4, 2011. The General Clause Listings (Article I.1.) are the only changes made to the workforms. Therefore, the Handbook files require no updates and are still dated 6/30/2011. Please Note that the General Clause listings within the Contract Handbook file have been revised to include the updates required by FAC 2005-53 (now dated 8/2011) as discussed below.

For your information, the DGS will update the General Clause Listings in all draft documents, so you will not have to make any changes to these listings in any contract documents you have started.

The DGS files can be found on the NCI OA Intranet at <http://rcb.cancer.gov/rcb-internet/forms/OAworkforms/workforms.html>. The Document Generation System (DGS) can be accessed at: <http://dgs.nci.nih.gov/dgs/index.jsp>.

The following is an explanation of the changes made to each workform listed below. If you would like additional summary or detailed information about the applicable FAC item, you may access the Federal Register Notice, under General Services Administration at:
