

Capability Statement

Data Management Specialists

Automated Resource Management Associates (ARMA) Inc. is a trusted, woman-owned small business (WOSB), certified through the Women's Business Enterprise National Council (WBENC) and is SBA HUBZone certified. We offer significant background and experience in providing research, technical assistance, and data management services to Federal, State and private clients, with a commitment to applying best industry standards and solutions that are driven by technology and informed by scientific evidence. Our data analysis and data management competences expand beyond systems and programmatic analytics as is evidenced by our 30 years of experience in delivering value-added enterprise-wide solutions to our clients. With a knowledgeable and experienced team of experts in research, technology, and data management, ARMA brings strategic solutions for navigating key decisions in important subject areas, together with an understanding of the nuances of service and product implementation in various business contexts.

Our commitment to high quality service and deliverables serves as a guide to our data management solutions and plans, and we offer clients knowledge and techniques, including innovative, time-tested approaches for processing voluminous and disorganized data (big data) into meaningful, actionable strategies that advance decision-making. ARMA's competencies and reliability in supplying subject matter experts (SMEs) with significant expertise in data management, IT, and research has made us an instrumental source for hiring and supplying high caliber personnel to help organizations maximize productivity and surpass expectations in next-generation programming.
