

COURSE PREDECESSORS & CONVERSION MATRIX

The current Level II core contracting curriculum consists of:

- CON 202 - Intermediate Contracting
- CON 204 - Intermediate Contract Pricing
- CON 210 - Government Contract Law.

This curriculum will be replaced in FY 2008 by the following core courses:

- CON 214 - Business Decisions for Contracting (Online Course - 24 hours)
- CON 215 - Intermediate Contracting for Mission Support (Classroom - 8 days)
- CON 216 - Legal Considerations in Contracting (Online Course - 30 hours)
- CON 217 - Cost Analysis and Negotiation Techniques (Online Course - 40 hours)
- CON 218 - Advanced Contracting for Mission Support (Classroom - 9.5 days)

Two electives are still required for Level II certification and successful completion of Level I courses remains a prerequisite for Level II core courses.

Level II Conversion Matrix

The new curriculum continues the conversion from stove-piped to integrated training where concepts are introduced and discussed in conjunction with the contracting process. As such, there is not a one-for-one course conversion. The Level II Conversion Matrix was developed by identifying where learning objectives of the current curriculum are in context of the competencies and learning objectives of the new curriculum.

If Completed	Required to Take	Recommended to Take
202	216, 217 & 218	214
204	214, 215, 216 & 218	217
210	214, 215, 217 & 218	
202 & 204	216 & 218	214 & 217
202 & 210	217 & 218	214
204 & 210	214, 215 & 218	217

IMPORTANT NOTES:

- In the FY2008 curriculum the Online Courses are not stand alone modules. They are to be completed in conjunction with a pending enrollment in a classroom course. For example, participants should complete CON214 approximately 60 days prior to attending CON215. Please actively discourage participants from trying to take the online courses more than 90 days prior to a classroom course.
- While we have a matrix going from the current curriculum to the FY2008 curriculum, the information does not translate from the FY2008 curriculum back. For example: A student could not start the CON Level II curriculum with CON214 & CON215 and then try to go back and take CON204 or CON210.
