Subject: Document Generation System (DGS) Workform Update
Date: Friday, October 5, 2018 4:29:00 PM

The Document Generation System (DGS) workforms have been updated to incorporate the changes in accordance with NIH Policies and the changes required by FAR. The DGS can be accessed at: <https://oamp.od.nih.gov/DGS>.

The following is the explanation of the changes made to each workform:

- I. *Request for Proposal (RFP)*
- II. *Contract*

CHANGES MADE TO THE RFP

Item no. 176

“Revised” Article H.19. Research Involving Human Fetal Tissue

Item no. 693

“Revised” Section L Research Involving Human Fetal Tissue

Item no. 178

“Removed” Article H.21. Human Embryonic Germ Cell (HEGC) Research

Item no. 179

“Removed” Article H.22. Human Embryonic Germ Cell (HEGC) Research

Item no. 686

“Revised” Section L - Human Subjects

The line is revised from “in a SEPARATE SECTION of the technical proposal” to “in a SEPARATE FILE of the technical proposal.”

Item no. 702

“Revised” Section L- PHS Human Subjects and Clinical Trials Information Form

The title is revised from “New Human Subjects and Clinical Trials Information Form” to “PHS Human Subjects and Clinical Trials Information Form.”

CHANGES MADE TO THE CONTRACT
