Resolution Think is a small business. We are an Economically Disadvantaged Woman-Owned Small Business (EDWOSB), Woman-Owned Small Business (WOSB), HUBZone certified, minority-owned, and certified as a Small, Women-owned, and Minority-owned Business (SWaM) in the Commonwealth of Virginia. Our principal office is located in Newport News, VA while also maintaining satellite locations in the Washington DC metropolitan area.

Founded in 2013, we provide solutions that improve performance by delivering management, technical and instructional delivery support for all phases of the systems acquisition and sustainment life cycle. Our expertise lies in building the right team and recruiting the key personnel to succeed in a diverse range of IT services. We focus our processes in the software development life cycle (SDLC). Using a team approach that is embedded throughout the implementation process, we work with partners to support our client's success.

Resolution Think analyzes your needs and applies experienced and knowledgeable solutions to resolve the problem.
